

THE 3rd PARTY

*Wedding Day Planning and Coordination Plus**

Before Your "I Dos"

1. Go through an extensive wedding checklist in order to study the current wedding plans of the couple
2. Identify possible loopholes in the couple's wedding plans and suggest solutions and improvements whenever necessary
3. Collaborate with suppliers to help them achieve their creative and technical deliverables by having a cohesive plan for all suppliers involved in the wedding
 - a. Includes lighting design
 - b. Includes sound or acoustic planning
4. Plan and execute a comprehensive technical and logistical plan for suppliers involved in production from church to reception
5. Create an appropriate, timely and effective reception program
 - a. Based on the demographic study of guests
 - b. In collaboration with the emcee/s and couple
 - c. Factoring in deliverable requirements of suppliers
6. Prepare a scaled reception lay-out
 - a. To detail the placement of tables, chairs, stage, dance floor and supplier/styling equipment
 - b. To manage the flow of guests
7. Plan and execute food and beverage considerations such as:
 - a. Special meals for guests (vegan, vegetarian, non-dairy, halal, children's meals, etc.)
 - b. Appropriate number of orders for cocktail, main dinner and after-party fare
 - c. Appropriate amounts for alcoholic and non-alcoholic beverages
 - d. Possible supplier meals for preparation, ceremony and reception
8. Devise a three-day schedule for the bride and groom – the wedding day and the days before and after
9. Communicate and coordinate with the entourage members for their timely arrival for preparation, pictorials, ceremony and reception
10. Communicate and coordinate with the ceremony participants for timely arrival at the ceremony
11. Advise the couple about possible solutions and workarounds to unforeseen events when such circumstances arise

Plus Services*

1. Recommend up to four (4) suppliers based on the mood board or pegs submitted by the couple.
2. Three (3) consultation sessions done online, limited to one (1) hour each session. (Online consultations are in addition to the 3-4 face to face meetings covered by the regular Wedding Day Planning service.)

3. Viber chatgroup with the couple for questions on wedding etiquette, lights and sounds production concerns as well as civil registry and church documentation.

In the time of Covid 19

1. Advise the couple about current rules and regulations set forth by government and venues for gatherings and events
2. Create a workable plan for adhering to safety standards and collaborate with suppliers to ensure a safe and healthy working environment for families, guests and crew

During Your "I Dos"

1. Enforce agreements stated in the contracts between the couple and their suppliers
2. Manage the flow at the ceremony venue (from the arrival of guests, entourage march, bridal march, offertory and recessional)
3. Manage technical and production segments from the arrival of guests to the after-party
4. Manage the flow at the reception venue
 - a. Arrival of guests
 - b. Guest registration (for Filipino and English speaking guests)
 - c. Gift registration
 - d. Cocktails
 - e. Reception program
 - f. After-party

After Your "I Dos"

1. Turnover the couple's payments to the suppliers
2. Endorse and return to the trustee all materials used in the wedding ceremony and reception
3. Endorse to the trustee all gifts received and left-over food and beverages
4. Turnover all receipts and documents to the newlyweds
